

Glaze Fold OLED

Parameters

Size	8-inch
Crease	60% ↓
Mechanical Strength	50% ↑
RA At Room Temperature	300,000+ cycles
RA At Low Temperature	50,000+ cycles

Product Highlights

- Optimized Materials And Stack Structure In The Module Design To Reduce Crease
- Optimized Overall Device Design With Sustained Tension Force Which Significantly Reduces The Crease At The Device Level
- Crease Reduced By More Than 60%
